

IDENTIFICATION OF CODES

Computer Report: Tabulation of Personnel Actions Affecting Ceiling

True EODs	Professional, technical and pre-slotted clericals entering on duty from outside the Agency.
True Separations	Separation in all categories from the Agency.
1 - Ceiling Gains	Move from part-time employment to full-time. (Requires an available position.)
2 - Ceiling Gains	Return from LWOP, military leave, et al. (Requires an available position.)
SD Changes	Change in Career Service designation from another Directorate. May or may not be included in Total Reassignment depending on assignment at time of change.
Total Reassignment	Intra and inter Directorate reassignments. Does not include the TAS column.
From TAS	Clerical personnel assigned from a non-ceiling status--new EODs not preslotted.
Between Two Offices	Included in Total Reassignment--includes "Between Two Directorates" data.
Between Two Directorates	Included in Total Reassignment and in "Between Two Offices" data. This reflects individuals occupying their Career Service slot in another Directorate (e.g., MG in NFAC "M" slot) as well as the individual occupying a different Career Service position (e.g., MG occupying a I slot in NFAC).
